Money Vocabulary Drill

I love flashcards, but we have a hard time keeping up with them. So I sometimes make drill sheets to practice words.

nickel	penny	dime	quarter
coin	dollar	cents	quarter
penny	dime	quarter	coin
dollar	dime	penny	quarter
coin	penny	cents	nickel
dime	nickel	penny	quarter
quarter	cents	dime	penny

- Read the vocabulary words. To vary the drills, read left to right, up and down by rows, by columns, etc.
- Practice daily until mastered, and then review often.
